Soft Skills

- Quick Learner
- Problem Solver
- Strong organizational and time-management skills.

Languages

- English
- Hindi

Projects

Blockchain Based Document Verification System 🔗

React js | Web3.js | IPFS | Firebase | Solidity | Sepolia Testnet | Hardhat

- Developed a blockchain-based document verification system for secure, tamper-proof storage and validation of academic certificates.
- A single platform serving as a utility for students, universities, and employers.

WhatsApp Clone App 🔗

Next js | Firebase | Tailwind CSS | PostgreSQL | Socket.io | ExpressJs | ZegoCloud

- Developed a WhatsApp web clone allowing users to have a seamless messaging experience with voice and video calling capabilities.
- Implemented end-to-end encryption for messages to enhance security.

ShopMe E-commerce App 🔗

Next js | MongoDB | Tailwind CSS | Razorpay

- Developed a responsive, Razorpay-integrated clothing e-commerce platform, enabling seamless purchases.
- Implemented admin functionalities for product management and order tracking.
